

Nashville Area MPO  
**2040 REGIONAL TRANSPORTATION PLAN**  
Summary of Proposed Amendments and Staff Analysis/ Recommendations  
July 16, 2018

**TDOT**

**RTP Amendment #2018-003: I-65 Widening from Rivergate Parkway to near Blue Star Road (US-31W)**

- Description: I-65 Widening from 4 to 6 lanes via design-build from near Rivergate Parkway to near Blue Star Road (US-31W) in the Goodlettsville area. This project is one of TDOT's IMPROVE Act priorities.
- 2040 RTP ID#: 1612-153
- TIP#: 2018-12-054
- Cost: \$59,000,000 (federal NHPP funding)
- **Requested change: Increase project length to 3.1 miles and extend southern terminus from Long Hollow Parkway (SR-174) to Rivergate Parkway**

**Staff Analysis:** The extension of this project terminus is both reasonable and appropriate per the goals of the project.

**Staff Recommendation: Adopt the proposed amendment as presented.**

**RTP Amendment #2018-004: I-40 Widening from SR-109 to I-840**

- Description: I-40 Widening from 4 to 8 lanes from SR-109 to I-840 in Wilson Co/City of Lebanon. This project is one of TDOT's IMPROVE Act priorities.
- 2040 RTP ID#: 1072-214
- TIP#: 2011-72-164
- Cost: \$36,000,000 (federal NHPP funding)
- **Requested change: The scope of this project originally included the construction of high occupancy vehicle (HOV) lanes for the length of the project's 3.6 miles. TDOT wishes to remove the HOV lane component from the project.**

**Staff Analysis:** The local municipalities affected by this proposed change in project scope should have the opportunity to weigh in on the ramifications of these project modifications. TDOT, Wilson County, and the City of Lebanon (and other interested parties) will discuss the proposed project modification prior to this amendment's public review and comment period.

**Staff Recommendation: Adopt the proposed amendment as presented.**
