### Amendment Description

This amendment proposes to program \$712,000 in M-STBG funding to the project in FY 2019, as this project is ready for construction.

This project includes signal timing along state routes within the Town of Smyrna. The construction phase includes implementation of an adaptive signal control system, installation of a master signal controller, wireless communication devices, Closed Circuit Television (CCTV), Dynamic Message Signs (DMS), Weather Communication, and Adaptive Signal Control.
